

RGD27 Paper Review Sheet by Session Chair

<i>Session:</i>	
<i>Tracking NO.:</i>	
<i>Author:</i>	
<i>Title:</i>	
<i>Date of evaluation:</i>	

Reviewing Instructions to Session Chairs: You will either be handed a hard copy of the papers in your session and/or a list of the paper numbers that will allow you to download the papers from the symposium web site http://www2.aero.psu.edu/RGD_2010/Full_Papers_for_Printing.html Please use this form for each paper to evaluate the papers in your session. If possible, please return the form(s) to us during the symposium or scan in and return by email. If the paper is deemed ACCEPTABLE, please communicate the required changes with each author in your session (you may choose to email this form as well as your marked-up copy of their paper) and ask them to upload the revised version of the paper. We kindly ask that you will please check the revised manuscript and verify that the revisions are acceptable and have been uploaded to the symposium web site. We would appreciate receiving all revised papers by September 30, 2010. ***Thank you for your cooperation and efforts in the important task of preparing the Symposium Proceedings!***
