NOTES:

Students starting in sophomore year or beyond are encouraged to do a senior thesis in the project, but must schedule three additional credits for that purpose.

() indicates total credits awarded

General guideline is about 2/3 of earned credits are actually awarded.

Student is responsible for filling out "Green Sheet" indicating how credits are to be awarded (i.e. in lieu of AERSP 305W, 401A&B or 402A&B, etc)
